## *Reframing Citriculture: Better Connections for Future*

Chair, Kemal KAÇMAZ (NCC)  
Mersin, Turkey

Co-Chair, Prof. Dr. Turgut YEŞİLOĞLU (ÇU)  
Adana, Turkey

Coordinator, Prof. Dr. Okan ÖZKAYA (ÇU)  
Adana, Turkey

## *Categories For Abstract Submission*

**Sub-section 1:** Germplasm, Phylogenetics, Varieties, Rootstocks and Breeding

Session 1. Citrus germplasm and phylogenetics  
Session 2. Varieties  
Session 3. Rootstocks  
Session 4. Breeding

**Sub-section 2:** Genetics, Genomics and Biotechnology

Session 5. Citrus genetics and genomics  
Session 6. Biotechnology

**Sub-section 3:** Physiology, Abiotic Stresses and Cultural Practices

Session 7. Physiology  
Session 8. Abiotic stress  
Session 9. Cultural practices

**Sub-section 4:** Harvest, Postharvest Physiology, Pathology and Processing

Session 10. Harvest and handling  
Session 11. Postharvest physiology and pathology  
Session 12. Processing  
Session 13. Citrus and Health

**Sub-section 5:** Bacterial, Fungal, Virus, Virus-Like Diseases and their control

Session 14. Citrus HLB and other bacterial diseases  
Session 15. Virus and virus like diseases  
Session 16. Fungal diseases

**Sub-section 6:** Citrus Insect Pests and their Control

Session 17. Entomology and pest control  
Session 18. Fruit flies

**Sub-section 7:** Nutrition, Irrigation and Mechanizations

Session 19. Nutrition and Irrigation  
Session 20. Mechanizations

**Sub-section 8:** Economy, Trade & Marketing Policies

Session 21. Citrus economy and trade  
Session 22. Marketing Policies

## *Important Dates*

**September 2, 2019**

Abstract Submission  
System Opens

**March 9, 2020**

Registration System  
Opens

**June 1, 2020**

Abstract Submission  
Deadline

**July 15, 2020**

Announcement of  
Accepted Abstracts

**September 15, 2020**

Earlybird  
Registration Deadline

**September 30, 2020**

Announcement of  
Scientific Programme

**October 15, 2020**

Regular  
Registration Deadline

**November 1, 2020**

Late Registration &  
Online Registration Deadline
